

Upcoming WFCO Virtual Technical Training Seminars

During the class, your team will receive WFCO Technical Training on:
batteries, convertwers, inverters, and transfer switches.

WFCO Technical Training gives 3 hours of RVTI Level 3 credits for
completing this class.

- **Thursday, May 15th @ 1 pm (EST)**

**For more information and/or to register for
the training seminar, please contact:**

**Mike Conway
Aftermarket Sales Manager
WFCO Technologies
m.conway@wfcotech.com**

For additional information regarding WFCO and WFCO products, please
contact your WFCO sales rep or visit our website.
